Pride

PRIDE

Pride is an obsession with self. It generates the desire you feel to protect, project, manipulate, jockey, advance, pretend, inflate and brag

Pg. 117

PRIDE

- *You compare yourself to others.*
- *Your self-worth is determined by your latest performance.*
- *You can't celebrate someone else's success.*
- *You squeeze gifted people out of your life.*
- *You want some say in everything.*

PRIDE

Pride runs so deep. It's one of the cardinal sins against God. Pride made me believe these things.

- What other people think matters more than what God thinks*
- His love for me is not enough*
- His approval of me is inadequate unless I have the approval of others.*
- Appearances count for a lot.*
- I am what others think I am.*

PRIDE

Do nothing out of
selfish ambition or
vain conceit

Philippians 2:3a

PRIDE

Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of others. In your relationships with one another have the same mindset as Christ Jesus.

Philippians 2:3b-5

PRIDE

Who being in very nature God, did not consider equality with God something to be used to his own advantage; rather he made himself nothing by taking the very nature of a servant being made in human likeness. And being found in appearance as a man he humbled himself by becoming obedient to death, even death on a cross!
